# Catalogue 2024

Air compressors

**Namerah has specialized in the manufacturing of Air Compressors since 1989. It is ranked today as one of the biggest producer in its field in the Middle East. Strategically located in the center of Saudi Arabia, covering local demands for Air compressors and doing export to all countries in the region.**

**Piston Compressors and screw Compressors are the heart of Namerah production. In addition to having a high quality standard as the main goal, being flexible, through working closely with the customers, and producing products that suits their requirements, has also helped Namerah growing and obtaining an edge over its competitors.**

**We are a leading compressed air solutions company, providing the best compressors, tools and air distribution systems to fulfil even your most demanding needs.**

**Committed to quality, reliability and simplicity, we want to make your life easier with solutions that you can trust and rely upon every day.**

**From mobile piston oil-injected screw compressors, from professional inflating guns to a full range of impact wrenches Namerah is the perfect partner to help you achieve your goal**

**NAMERAH**

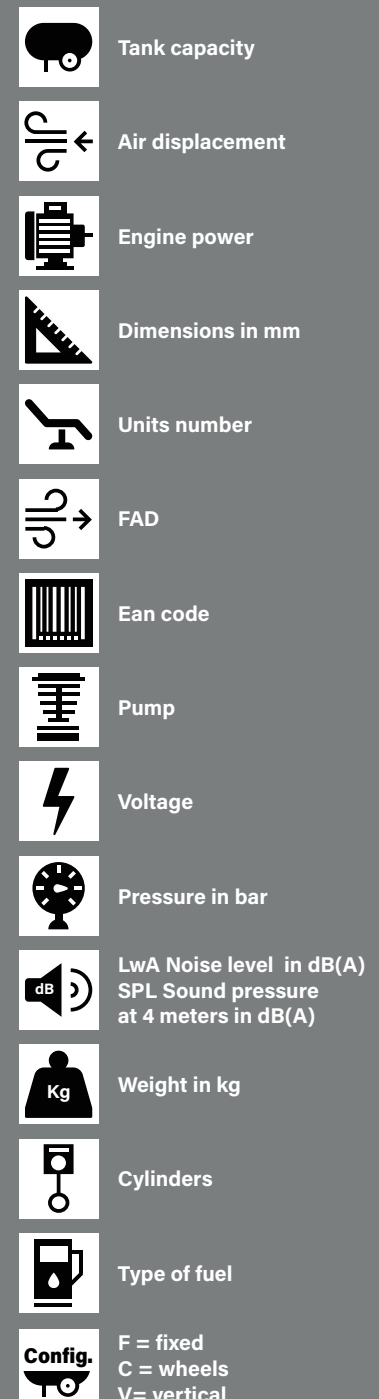

# Applications of air compressor

Air compressors have multiple uses and applications. almost any kind of manufacturing or industrial application process that requires compressed air versatility.

## Technical data symbols

Air Compressor

# 50 litres, 2 HP

**User-friendly**  
Easy to read oil level gauges

**Flexibility**  
Strong big wheels

**N50/AB360/2**  
2 hp, 50 litres

Model	Part number	L	config.	l/min	Oil	Pump	HP	kW	rpm	Volts	Bar	dB(A)	LxWxH (mm)	kg
N50/AB360/2 HP	112715065	50	C	300	Lubricated	AB360	2	1.5	1400	220/1/60	9	NA	850x380x730	43

Air Compressor

# 100 litres, 2-3 HP

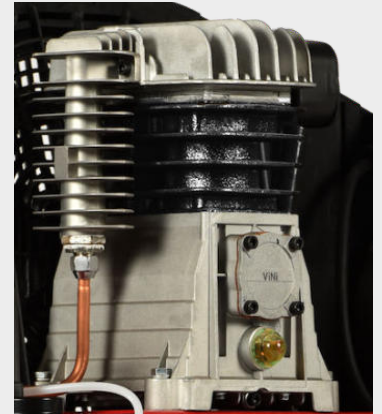

**User-friendly**  
Easy to read oil level gauges

**Flexibility**  
Strong wheels  
easy moving

**Mobility**  
Pivot wheels

**N100/VG3/2**  
2 hp, 100 litres, lubricated

Pumps with traditional piston and cast iron cylinder

Model	Part number	L	config.	l/min	Oil	Pump	HP	kW	rpm	Volts	Bar	dB(A)	LxWxH (mm)	kg

# **Powder Coating Line**

# Foam Tank

## Car Wash

We are pioneer manufacturers and suppliers of high quality Foam Tank for car washing.

Washing of cars, bikes and vehicles by foam generated from car shampoo is a new trend in the industry, because it saves shampoo and it gives quality cleaning.

### 100% High quality

We offer high quality foam tank manufactured with latest technology and with best quality raw materials. It makes thick foam from shampoo when connected to air compressor. Our Foam Tank is available at the most economical prices.

Backed with support of professionals, we are involved in providing a faultless range of Car Wash Foam Tank to the valuable patrons. We offer this product in different specifications that meet on patron's demand.

Certificate SA23/00000141

The management system of

# NAMERAH INDUSTRIAL CO.

Building No. 268, 2nd Industrial City, Street 41, Riyadh - 14332, Saudi Arabia

has been assessed and certified as meeting the requirements of

**ISO 9001:2015**

For the following activities

Manufacture and sales of air compressor, air receiver tanks, foam tanks and distribution of screw, pumps & motor accessories.

This certificate is valid from 06 November 2023 until 01 November 2026 and remains valid subject to satisfactory surveillance audits.
